

# RETROFIT COOLING PACKAGE KIT

for Oxbo 8430, 8435 & 9630 Series Corn Harvester

In a continuing effort to offer the most technologically advanced products, Oxbo is now offering a retrofit cooling package kit.

## ADVANTAGES

- ✓ Less FPI (Fins Per Inch) 6vs 8 on the radiator and 6 v 12 on the charge air cooler, less dense fins bring more cooling performance creating more open area to the face of the core.
- ✓ Laced Offset fin design enhances heat transfer without increasing flow resistance.
- ✓ Core design allows for less material build up.
- ✓ Addition of an expansion tank allows for a better method of venting from the engine, no trapped air in the system lends to better cooling.

### Kit Part Number: 601501

Part Number	Description	Qty
244038	Panel,rh rad cvr 30 series eng pkg	1
244039	Panel,lh rad cvr 30 series eng pkg	1
320362	Shield,upper cooling pkg 30 series	1
402009	Hose assy,coolant,upper	1
409856	2 1/16-3 Dia tube,cac,upper	1
409858	30 Ser cooler replcmnt hose assy,ac,5/16x206	1
409859	Saej2064,6fto x 6fto90 hose assy,a/c,13/32x240	1
410711	Saej2064,8ftox8fto90pt cooling package assy	1
410784	8430/9630 Tier 3,2019 hose,5/16x 60"	1
410785	Hose,5/16x 144" over flow,sae 20r3	1
49508	Hose,radiator,2-1/2x6	1
70528	Probe,coolant level	1
920618	Radiator coolant level inst instr,tier 3 cooler	1

Kit includes mounts and hardware
